**Product Description:** **Fits to the Factory fitted Cabin Bulkhead** The shelving system is manufactured using quality 12mm hardwood Plywood, giving strength and also keeping weight to a minimum. Constructed using traditional mortise and tenon joints in the front, back, base and sides making the units extremely durable and strong. Shelf Heights are adjustable in 50mm increments. The shelving units are supplied fully assembled that then simply need bolting between side panels. A full fixing kit is provided along with fitting instructions.

- 3Nr Shelves: 2Nr 200 deep, 1Nr 250 deep
- Shelf Heights are adjustable in 50mm increments
- The shelving units are supplied with 6mm plywood dividers that slide into machined grooves. These can be added or removed to change the number of compartments required.

**Notes:** Please be aware that you will need to trim the side panel around the wheel boxes - We can't do this as they all vary. Some trimming of end panels may be required due to differences in ply lining kits. Please note that extra shelving rows can be requested for an additional cost. **Options:** [Additional Shelves](#) [Drawer Modules](#) For more information / enquiries, please [Contact Vanrack](#) |
