**Price:** £155.00

**Stock:** In stock

**Categories:** [Citroen Dispatch Shelving](#), [Peugeot Expert Shelving](#), [Toyota, Vauxhall Vivaro 2019 Shelving](#)

**Product Description:** Designed to fix to the Driver Bulkhead A combination of two storage shelves with removeable dividers and 2 Inclined open trays for Power tool box storage. **Sloping Trays** The shelving system is manufactured using quality 12mm hardwood Plywood, giving strength and also keeping weight to a minimum. Constructed using traditional mortise and tenon joints in the front, back, base and sides making the units extremely durable and strong. Shelf Heights are adjustable in 50mm increments. The shelving units are supplied fully assembled that then simply need bolting between side panels. A full fixing kit is provided along with fitting instructions.

- Shelf Heights are adjustable in 50mm increments
- The shelving units are supplied with 6mm plywood dividers that slide into machined grooves. These can be added or removed to change the number of compartments required.

Please note: The Bulkhead hinged flat cant be used with this product without modification. For more information / enquiries, please [Contact Vanrack](#) |
