

CABLE REEL SHELF

SKU: CRS

Great for Easy and Neat Cable Management to prevent cables from getting tangled, designed to fit within our 650mm, 875mm and 1000mm shelving systems. The unit has two configuration options, either Spindle mount, or Cradle supported.

Price: £40.00 – £48.00

Stock: N/A

Categories: [Accessories](#), [Variable for ebay](#)

Product Description: Manufactured from 25mm heavy duty tubular steel.

1. Spindle mount - for cardboard lightweight reels that would crumple if supported under their own weight.
2. Cradle support for heavy duty reels made of plywood or plastic.

Both options are available by simply relocation one support tube to suit the required option. **Dimensions / 650** Width - 650mm Depth - 400mm Height - 250mm **Dimensions / 875** Width - 850mm Depth - 400mm Height - 250mm **Dimensions / 1000** Width - 976mm Depth - 400mm Height - 250mm Please note the surrounding rack assembly is not included with this product |
