Price: £163.00 – £260.00

Stock: N/A

Categories: [Accessories](#), [Variable for ebay](#)

Product Description: This unit is available for most vehicles listed on our website, however, please note that this product is sold as an accessory i.e. not bespoke to fit any space in any van. We do endeavour to make the product as accurately as possible but this is reliant on receiving the correct information from the customer. Please satisfy yourself before purchasing the product that you have checked the following:

- Length of racking (will this fit in the intended space).
- Look at the profiles shown on the model (could this collide with parts of the van e.g. wheel arch boxing).
- If in doubt, please ask prior to purchasing.

A 5 or 6 Tier (height dependent) power tool / tool box storage unit with angle trays (25 °) which are height adjustable in 50mm increments. 5 Shelves supplied up to 1350mm, 6 shelves over this height. Material Choices - Choose from the drop down menu the following material construction:

- Manufactured using quality 12mm hardwood Plywood, giving strength and also keeping weight to a minimum.
- 12mm Hexaboard plywood, giving a highly attractive as well as resilient finish. External faces are Phenolic Hexagonal Pattern the other side Smooth Phenolic, 120gm

Both options are constructed using traditional mortise and tenon joints in the front, back, base and sides making the units extremely durable and strong. Shelf Heights are adjustable in 50mm increments Size of the unit: (W)1000mm (internal width of 940mm) x (H)Max 1350mm x (D)400mm. The trays are 290mm internal depth. This unit is available for all vehicles listed within our website. ****PLEASE SPECIFY YOUR VAN AND FITTING LOCATION WHEN ORDERING****

- Please note that in some cases, depending on the fixing location there may be some trimming of the side panels required to fit around wheel arches etc by the installer.
- Toolboxes shown are for illustration purposes only and are not included
