Stock: N/A

Categories: [Accessories](#), [Variable for ebay](#)

Product Description: This unit is available for most vehicles listed on our website, however, please note that this product is sold as an accessory i.e. not bespoke to fit any space in any van. We do endeavour to make the product as accurately as possible but this is reliant on receiving the correct information from the customer. Please satisfy yourself before purchasing the product that you have checked the following:

- Length of racking (will this fit in the intended space).
- Look at the profiles shown on the model (could this collide with parts of the van e.g. wheel arch boxing).
- If in doubt, please ask prior to purchasing.

A 5 Tier storage unit with Flat trays which are height adjustable in 50mm increments. Securing holes are machined into the bases of each shelf to compliment the Tanos system. Material Choices - Choose from the drop down menu the following material construction:

- Manufactured using quality 12mm hardwood Plywood, giving strength and also keeping weight to a minimum.
- 12mm Hexaboard plywood, giving a highly attractive as well as resilient finish. External faces are Phenolic Hexagonal Pattern the other side Smooth Phenolic, 120gm

Designed for complementing our modular system of racking. Fits: Festool, Systainer, Tanos storage container unit External Size: 875mm (W) x 380mm (D) - H varies with van Extra shelves can be purchased separately.

****PLEASE SPECIFY YOUR VAN AND FITTING LOCATION WHEN ORDERING****

Please note that in some cases, depending on the fixing location there may be some trimming of the side panels required to fit around wheel arches etc by the installer. For more information / enquiries, please [Contact Vanrack](#) |
