<https://www.vanrack.co.uk/wp-content/uploads/2020/01/Folding-Workbench.mp4>

**Price:** £170.00 – £192.00

**Stock:** N/A

**Categories:** [Accessories](#), [Variable for ebay](#)

**Product Description:** A Multifunction (MFT) table Folding workbench that can be easily transported to the jobsite and assembled within a minute and is extremely rigid and stable. It's ideal to stow away flatpack in your van, shed, garage etc. when not needed. There is a large low level drop in Shelf which is ideal for storage of tools and equipment which also improves rigidity. Perfect for any tradesman or DIY enthusiast the bench is highly portable, easy to assemble and has a large working surface area. The MFT style worktop is made from 18mm MDF. The structure is made from 12mm Hardwood plywood. Material Choices - Choose from the drop down menu the following material construction:

- Manufactured using quality 12mm hardwood Plywood, giving strength and also keeping weight to a minimum.
- 12mm Hexaboard plywood, giving a highly attractive as well as resilient finish. External faces are Phenolic Hexagonal Pattern the other side Smooth Phenolic, 120gm

The bench is supplied ready assembled.

- Lightweight and portable.
- MFT compatible (20mm diameter / 96mm / 96mm spacings)
- Folds completely flat for easy storage
- Keyslot mounting holes in the frame reduces the weight and also allows for fixing of jigs etc if required.
- **NOW with Free Anti slip Worksurface protectors x 8**

**Dimensions Worktop:** 1200mm x 700mm x 18mm Assembled size - 1200mm (L) x 700mm (W) x 850mm (H) |
