

SEALANT GUN AND TUBE HOLDER

SKU: SGTH4

Size : W = 295mm, H=172mm , D= 95mm

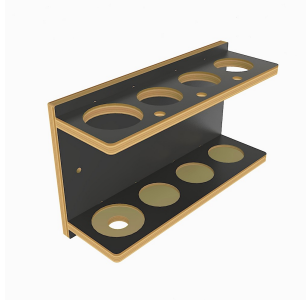

Price: £14.00 - £19.00

Stock: N/A

Categories: [Accessories](#), [Variable for ebay](#)

Product Description: Supplied flat pack with only 3 components to screw together (screws supplied), takes a couple of minutes. These can be secured to our shelving units or used in your factory or workshop. Can also be screwed to door panels / bulkhead etc to make these hard to store items easily accessible. Also has four additional holes for screwdrivers. CNC cut from 12mm Hardwood plywood. For more information / enquiries, please [Contact Vanrack](#) |
