Size: (W)875mm x (H)1190mm x (D)300mm

Price: £133.00

Stock: In stock

Category: [Volkswagen Caddy Shelving](#)

Product Description: The shelving system is manufactured using quality 12mm hardwood Plywood, giving strength and also keeping weight to a minimum. Constructed using traditional mortise and tenon joints in the front, back, base and sides making the units extremely durable and strong. Shelf Heights are adjustable in 50mm increments. The shelving units are supplied fully assembled that then simply need bolting between side panels. A full fixing kit is provided along with fitting instructions.

- Shelf Heights are adjustable in 50mm increments
- The shelving units are supplied with 6mm plywood dividers that slide into machined grooves. These can be added or removed to change the number of compartments required.

Notes: Some trimming of end panels may be required due to differences in plylining kits. Please note that extra shelving rows can be requested for an additional cost. **Accessories:** [Additional Shelving Modules \(1000 Model\)](#) [Drawer Module - Model 1000](#) For more information / enquiries, please [Contact Vanrack](#) |
